Driving Tips

- EVs are quiet
- Use smooth acceleration
- Regenerative braking may slow the vehicle
- Confirm vehicle is in Drive

Low Battery?

- Slow down
- Reduce unnecessary HVAC use
- Contact Transportation

Etiquette

- Leave charge for next driver
- Report damaged chargers
- Don’t unplug another vehicle

End of Shift Checklist

- Required battery level
- Plug in if instructed
- Charging verified
- Cable coiled neatly
- Warnings/damage reported
